Subject: RE: Federal BDCP Briefing for NGOs

Hello Letty,

Thank you for scheduling a conference call with the NGO's and your federal colleagues for May 31 to discuss BDCP. In preparation for our discussion, the NGO's have prepared a list of questions related to the BDCP Framework recently proposed by state and federal agencies. The questions are directed to Jerry Meral and Mark Cowin who, with Natural Resources Secretary John Laird briefed the NGO's last week on the developing BDCP Framework. However, we thought that it would be helpful for you to know the kinds of questions we have to help inform our discussions.

We look forward to talking to you and your colleagues on these subjects tomorrow afternoon.

Thank you,

Leo Winternitz

Subject: Federal BDCP Briefing for NGOs

With apologies that I may not have gotten the right array of invitees on this email, I have tentatively scheduled a conference call for this Thursday, May 31st, at 6:00 pm EDT/3:00 pm PDT to discuss BDCP. If I have omitted anyone critical, please give them the call info, but do not forward the invite to anyone else. This appears to be the earliest time at which we can potentially get a critical mass of federal reps on the phone.

Call-in no.: 866-616-8702

PC: 192 0145

It would be helpful if my Federal colleagues can confirm with me whether or not they can participate, as I would like to have representation from all our agencies if possible.

Thanks,

Letty
